I can	Maths – Year 3 (emerging)	✔	Date	I can	Maths – Year 3 (emerging)	✔	Date
Numbers Place Value	Count from 0 in multiples of 4, 50 and 100.			Fractions	Count up and down in tenths.		
	Calculate 10 or 100 more or less than a number up to 1000.				Make tenths from dividing an object into 10 equal parts.		
	Calculate the value of each digit in a 3-digit number by partitioning in different ways.				Order unit fractions with the same denominator.		
	Read and write numbers to at least 500 in numerals and words.				Calculate a unit fraction and non-unit fraction with a small denominator of a set of objects.		
	Order numbers up to 500 using =, > , <.			Measures	Measure lengths, mass and volume of different objects and find their totals and differences.		
Addition Subtraction	Mentally add and subtract a 3-digit number and ones.				Measure the perimeter of 2-D shapes.		
	Mentally add and subtract a 3-digit number and tens.				Say the relationship between all units of measurement.		
	Add two 2 digit numbers using column method with 'carrying' using multibase apparatus.				Say the number of seconds in a minute, days in each month, year and leap year.		
	Subtract two 2 digit numbers using column method with exchanging using multibase apparatus.			Shape	Draw and name 2-D shapes.		
					Name 3-D shapes in different orientations.		
	Solve addition and subtraction word problems.				Make 3-D shapes using modelling materials.		
x and ÷	Answer multiplication and division facts for the 2, 3, 4, 5, 10, 11 tables very quickly.				Identify right angles; recognise that 2 right angles make a half-turn and four make a complete turn.		
	Multiply a 2-digit number by 2, 3, 4, 5 using a simple grid.				Say whether angles are greater or less than a right angle.		
	Divide a 2-digit number by 2, 3, 4, 5 using short division method.			Statistics	Interpret data using bar charts with simple scales e.g. 2,5,10 units.		
					Interpret data using pictograms with simple scales e.g. 2,5,10 units.		
	Solve word problems including three times, four times as long etc.				Solve one-step and two-step questions using information in scaled bar charts and pictograms.
